

Senior Tax Accountant

Why Choose to Work with Us

At SMG ABA LLC, we take pride in being more than just an accounting firm. We foster a unique team spirit that sets us apart from our competitors. Guided by a set of core values, we have established ourselves as a six-time Inc. 5000 company, demonstrating our unwavering commitment to success and continuous growth. With headquarters in Islandia, New York, and additional offices in New York City and St. Petersburg, Florida, we offer a dynamic and vibrant work environment.

As part of the SMG ABA team, you will be surrounded by individuals who value hard work, encourage personal and professional growth, and celebrate achievements together. We recognize the importance of each team member's contributions and provide a supportive atmosphere where your efforts are acknowledged and rewarded when we reach our goals.

What You Will Do as a Senior Tax Accountant

- Prepare and review a wide range of tax returns, including corporate, partnership, and individual returns, demonstrating attention to detail and accuracy.
- Provide guidance and support to junior team members, reviewing their work and providing constructive feedback to ensure quality and adherence to tax regulations.
- Conduct tax planning and research to identify opportunities for tax savings and minimize tax liabilities for our clients.
- Collaborate with clients to gather necessary tax-related information, address inquiries, and provide exceptional client service.
- Stay updated on changes in tax laws and regulations to ensure compliance and incorporate any relevant updates into tax strategies.
- Assist in the resolution of tax-related issues and inquiries from tax authorities on behalf of our clients.
- Contribute to the development and improvement of tax processes and procedures, identifying opportunities for enhanced efficiency and effectiveness.
- Build and maintain strong client relationships, serving as a trusted advisor and providing proactive tax advice.
- Participate in SMG ABA recruiting, team-building, and other firm events/efforts

Qualifications and Attributes You Will Need

- Possess a minimum of 4 years of experience in tax preparation and planning, preferably in a public accounting firm.
- In-depth knowledge of tax rules and regulations.
- Bachelor's or master's degree in Accounting, Finance, or a related field. CPA license preferred.
- Proficient in tax software and accounting systems, with a strong understanding of technology tools used in tax preparation and research.
- Excellent analytical and problem-solving skills, with the ability to navigate complex tax scenarios and provide innovative solutions.
- Strong communication skills, both written and verbal, to effectively communicate tax concepts to clients and colleagues.
- Client-focused mindset, dedicated to delivering exceptional service and further developing & maintaining long-term client relationships.
- Detail-oriented and deadline-driven, ensuring accuracy and timely completion of tax deliverables.
- Self-motivated and proactive, with the ability to work independently as well as collaboratively within a team.

Benefits and Perks of Joining the SMG ABA Team
